

Dear Parents,

Our tuition policy has changed. We will not be using SMART Tuition for the 2007-08 school year. We will be using the old booklet system.

However the tuition booklets were just ordered and will not be ready for tuition due by August 1st. We kindly ask that you mail the August tuition to school. There will not be any late fees for August tuition since this is such short notice. The tuition booklets will be sent home the first day of school with other school information. Please keep an eye out for the booklet.

Any questions, please call the office.

Thank you,

Mr. Benson
